Legacy League Membership and Recognition

The donor of a ‘planned gift’ is encouraged to notify Hospice of his/her intent. The notification of intention and action to implement your plans, are all that are needed to become a ***Hospice of San Joaquin Legacy League Member***. Those who name the Hospice of San Joaquin in their wills, living trusts or other estate planning vehicle, i.e., insurance policy beneficiary, charitable remainder or lead trust, and so forth, will be recognized “today” for gifts that will come to the Hospice of San Joaquin in the future.

Hospice of San Joaquin wishes to express our gratitude to you now for planning a future contribution. (See attached ***Legacy League Membership Registration*** form.) Recognition will include a **listing on the Legacy League plaque in the Circle of Care Donor Pavilion** in the Hospice Gardens (unless the donor wishes to remain anonymous). Legacy League Members will be included in the Annual Recognition Dinner and other special donor gatherings. To become a Member, following your work with your professional advisor(s) regarding your plans and intentions, return the enclosed Legacy League Membership Registration form to Hospice of San Joaquin, 3888 Pacific Avenue, Stockton, CA 95204.
