## ADULT BEREAVEMENT SUPPORT GROUPS 2010

Hospice of San Joaquin offers bereavement support groups on a regular basis. These groups are for those who have experienced the death of someone close to them and would like to learn more about the grieving process and gain support and insight from others who have had similar experiences.

Our support groups meet for six weeks and are offered to all adults in the community. There is no charge for the groups however; a one-time \$5.00 donation is appreciated to help cover the cost of materials.

Due to the necessity to limit the size of the groups, **pre-registration is required.** We encourage you to call our Bereavement Program at 209-957-3888 at your earliest convenience to register as groups tend to fill up quickly.
